JUN																										
FY AVG																										

\*Beginning July 2000, TDOC instituted offense reporting consistent with the FBI's National Incident Based Reporting System (NIBRS). For more detail on the changes, see <http://www.state.tn.us/correction/planning.html> for the research brief on the TIBRS offense reporting.

\*\*Excludes Robbery (Prior to September 2000, these offenses only included Theft, Stolen Property and Burglary - now includes All Property except Robbery).

Release statistics are incomplete because all data are not received by TDOC immediately after inmates are released. Therefore, the numbers for any given month may be different from the previous month's report.  
 Prior year data corrected effective 11/2000. Releases computations, prior years, capture some temporary releases that should not have been included as permanent releases.

Release statistics are incomplete because all data are not received by TDOC immediately after inmates are released. Therefore, the numbers for any given month may be different from the previous month's report. Prior year data corrected effective 11/2000. Releases computations, prior years, capture some temporary releases that should not have been included as permanent releases.

FY Avg.	295.3	236.0	59.0	25.0%	422.3	378.0	3.0	0.8%	361.8	353.0	38.0	10.8%	1,079.3	967	100.0	10.3%

\* These numbers will be calculated at the end of the fiscal year.

The last three months of actual numbers may change due to the time delay in data entry. It takes approximately 3 to 4 months for all data in any given month to accumulate or "top out".

\* "Release to Parole" projections found in the December 1997 - September 1998 *Tennessee Felon Population Update* reports are incorrect and they were corrected beginning with the October 1998 report.

# BLUE REPORT USER'S GUIDE

## Incarcerated Population

**TDOC Backup:** Felons sentenced to TDOC custody and held in local jails while awaiting transfer to a TDOC institution.

**Locally Sentenced:** Convicted felons sentenced to serve their time in a local jail. As felony offenders, these persons are under TDOC jurisdiction.

**Other Convicted Felons:** Convicted felons awaiting sentencing or not yet ready for transfer to TDOC because of other pending charges. Includes technical violators awaiting probable cause/revocation/recission hearing or adjudication of pending charges.

**Convicted Misdemeanants:** Inmates serving time because of a misdemeanor conviction.

**Total Pre-Trial Detainees:** Includes inmates charged with either a felony or a misdemeanor but not yet convicted.

**Others:** Inmates held in local facilities for federal crimes, city ordinances, etc.

**Community Corrections:** A grant program created in 1985 as an alternative to incarceration. Programs are developed based on the individual needs of the area served.

## Admissions

**New Commits:** Refers to any person who is beginning his/her first incarceration to TDOC (or jail if locally sentenced) Note: This would include a first incarceration for all persons after an expired sentence or a violation of their probation resulting in a new felony charge).

**Violators Returned:** Refers to an individual who has been revoked on his/her current sentence **BUT** this is **NOT** the first time he/she has served time in a TDOC (or jail if locally sentenced) facility.

## Releases

**Parole:** Felons originally sentenced to an incarceration period and released to serve the remainder of their sentence under supervision.

**Probation-Community Correction:** Usually non-violent felons sentenced to serve a split sentence; a short jail or prison term and the remainder under state supervision.

## General Notes

**Backup:** All offenders sentenced to TDOC custody are counted as admissions. Some offenders are held in backup at a local jail while awaiting transfer to a TDOC facility. This is due to lack of room for all offenders. Because while offenders are in backup they could be released for a number of reasons before they are transferred to TDOC, they will only be counted as backup if they are released.

**Primary Offense:** As of July 2000, offenses are categorized according to the Tennessee Incident Based Reporting System (TIBRS) which is based on the FBI's National Incident Based Reporting System (NIBRS). This system of reporting is an attempt to standardize categorical offense reporting across criminal justice agencies. For more detail on how TCA code is categorized according to the TIBRS system, see the TBI website at <http://www.tbi.state.tn.us/tca.htm> or the TDOC Research Brief, "Assessing the Impact of the TIBRS on TDOC Criminal Offense Reporting."

**Projected Felon Population-Admissions & Releases:** is taken from the Annual Felon Population Projection Report. Ten year felon projections including admissions and releases are estimated every fall in order to help the TDOC in its long term strategic planning. The current projections can be found on our website at <http://www.state.tn.us/corrections>.

Total TDOC Inmates, considered "backup" for TDOC purposes, refers to inmates sentenced to TDOC custody and held in local jails while awaiting transfer to a TDOC institution.
